

My name is Mohammad Al-Alawi and I have total 32 years of experience in KNPC. I graduated from Kuwait University in 1988 as Mechanical Engineer. I joined KNPC in 1989 as a Maintenance Planning Engineer in Shuaiba Refinery and since then I worked at various Divisions like Workshop & General Works & Mechanical Maintenance in the same Refinery. In 2017 transferred to Mina Al-Ahmadi Refinery in Maintenance Department for CFP units commissioning, startup & post commissioning activities.
