PERSONAL SUMMARY

A high caliber and long-experienced researcher with a proven ability to perform the research roles to the highest standards.

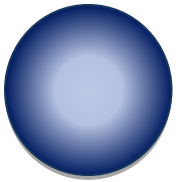

ACADEMIC QUALIFICATIONS

- Currently, I am doing my Master's Degree in Management
- BA in English Language and Literature
- BA in Management

PROFESSIONAL EXPERIENCE

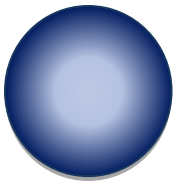

Having served as a researcher for 12 years at the academic institutions of the Jordanian Ministry of Defense, I have extensive experience in conducting research on various topics related to Social Sciences disciplines and the defense and security sector. Moreover, having served in the Jordanian MoD Directorate of Joint Training and Doctrine, I have in-depth experience in planning, preparing, and developing curricula of Social Sciences to the highest standards while having an eye on the national and international accreditation requirements and practices. Furthermore, having served as a simultaneous interpreter, translator, and researcher for ten years in the UAE National Defense College, I have a thorough experience in developing robust curricula in disciplines related to Social Sciences. Moreover, being as one of the founding team members of the

Gulf Academy for Strategic and Security Studies, I have in-depth knowledge in developing the governance policies and procedures as well as the knowledge on how to develop, design, evaluate, and assess curricula in disciplines related to Social Sciences. I have also extensive experience in delivering specialized training on subjects related to Social Sciences and the defense and security sector. Furthermore, having served as a legal researcher in Oman, I have in-depth knowledge in the local and international legislation and standards governing intellectual property, academic integrity, and academic accreditation. Furthermore, I have thorough experience in developing strategic analyses, strategic and geopolitical assessment of the regional and internal contexts. Additionally, I have successfully completed 76 professional development courses in several fields and disciplines.

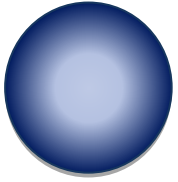

PROFESSIONAL DEVELOPMENT COURSES

76 courses
