I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with as graduate with thirteen years of experience in planning, monitoring & evaluation. I am a flexible and experienced planning, M&E specialist with excellent time management skills. I am an articulate confident person with a sound and optimistic outlook on all things in life. I have great communication skills. I possess an excellent ability to motivate others, combined with the ability to communicate adequately at all levels, therefore ensuring an excellent working environment for all members of the team to exert their utmost efforts. I am a punctual and motivated individual who is able to work in a busy environment and produce high standards of work and adhere to strict deadlines. I have an excellent ability to remain good-humored and unflappable under pressure.

In 1996 I obtained B. Sc. (Honors) In Economics, Faculty of Economics and Social Studies, University of Khartoum, Sudan. Then Obtained Master Degree (M. Sc.) in Development Planning, at Development Studies and Research Institute, University of Khartoum, Sudan.
